

**Georgetown University, German Department**  
March 30, 2007

**Foci for the majors focus groups**

**Purpose:** To assess holistically the attitudes and beliefs of German majors at Georgetown

1. What led you to major in German at Georgetown University?
2. What would you say to a prospective student regarding majoring in German at GU?  
Potential issues to raise/explore:
  - being a double major
  - language development
  - content & language acquisition
  - being in an integrated curriculum
  - study abroad – preparation for, experience during, integration after
  - shared experiences with other majors
3. Please tell us about a significant experience connected with majoring in German at GU.
4. What might we do to enhance the experience of majors?
5. Anything else that you would like add?
