Language Documentation & Conservation (LD&C) is a fully refereed, free, and open-access journal sponsored by the National Foreign Language Resource Center and published exclusively in electronic form by the University of Hawai‘i Press. LD&C publishes papers on all topics related to language documentation and conservation including, but not limited to

- the goals of language documentation
- data management
- fieldwork methods
- ethical issues
- orthography design, reference grammar design
- lexicography, methods of assessing ethnolinguistic vitality
- biocultural diversity
- archiving matters
- language planning
- areal survey reports
- short field reports on endangered or underdocumented languages
- reports on language maintenance, preservation, and revitalization efforts

We also publish reviews of software, hardware, books, and data collections.
