
CONTENTS

CHAPTER ONE: BACKGROUND	1
<i>Where did performance assessments come from?</i>	2
<i>Where does performance assessment fit within language testing?</i>	3
<i>What constitutes second language performance assessment?</i>	5
<i>What are the advantages and disadvantages of second language performance assessment?</i> ...	7
<i>What distinguishes task-based assessment from other forms of performance assessment?</i>	8
<i>What is the role of task difficulty in task-based performance assessment?</i>	11
<i>A few definitions</i>	12
<i>Purpose of initial investigations</i>	14
CHAPTER TWO: TEST DEVELOPMENT	17
<i>Conducting a needs analysis</i>	17
<i>Grading and sampling tasks</i>	18
<i>Operationalizing test tasks and forms</i>	26
<i>Developing rating scales</i>	27
CHAPTER THREE: METHOD	35
<i>Examinees</i>	35
<i>Materials</i>	37
<i>Procedures</i>	38
<i>Data summary</i>	41
<i>Data analyses</i>	41
CHAPTER FOUR: RESULTS	43
<i>Multi-faceted Rasch model analyses</i>	55
<i>Reliability estimates</i>	62
<i>Correlational analyses</i>	67
<i>Further interpretive analyses</i>	70
<i>Effects of revision</i>	84
CHAPTER FIVE: DISCUSSION	89
<i>Research question 1</i>	89
<i>Research question 2</i>	92
<i>Research question 3</i>	97

	Research question 4.....	98
	Research question 5.....	98
<hr/>		
CHAPTER SIX: CONCLUSION		98
	Limitations and implications.....	98
	Future research.....	98
<hr/>		
REFERENCES		98
APPENDICES		98
	Appendix A: Components of the new revised task difficulty matrix: Foreign language performance assessment for university FL learners.....	98
	Appendix B: Assigning task difficulty ratings.....	98
	Appendix C: Assessment of language performance Form Q.....	98
	Appendix D: Assessment of language performance form P.....	98
	Appendix E: Example instructions from all of the ALP tests.....	98
	Appendix F: Task-independent ratings.....	98
	Appendix G: Example administration guidelines for a single item.....	98
	Appendix H: Directions to proctors for administering the self-ratings.....	98
	Appendix I: Correlation matrix of all variables.....	98
	Appendix J: Implicational scaling: Form P.....	98
	Appendix K: Implicational scaling: Form Q.....	98
	Appendix L: Implicational scaling: Form J.....	98
	Appendix M: Implicational scaling based on best fit: Form P.....	98
	Appendix N: Implicational scaling based on best fit: Form Q.....	98
	Appendix O: Implicational scaling based on best fit: Form J.....	98
	Appendix P: Implicational scaling based on revised test: Form P.....	98
	Appendix Q: Implicational scaling based on revised test: Form Q.....	98
	Appendix R: Implicational scaling based on revised test: Form J.....	98
